

Kimmi available on Android and at a later date on iOS

A whole new mobile gaming experience, colorful and fast gameplay! You must be focused or Kimmi will only last for a short time! Save Kimmi and get the most Points!

Players, try to save Kimmi and her friends! With a Scoreboard you can compete against your friends from all over the world. Different game modes make Kimmi even more varied. A key element beside the chicken are the eggs, get some golden eggs and your points will increase. With the level system and a lot achievements you will be busy for quite a long time.

Kimmi is available worldwide and for free in the Android Play Store and at a later date in the Apple AppStore. A lot of updates are planned and are already being developed. Stay up to date with our social networks at the end of this press release.

Please visit www.kimmi.spiffyarts.com or www.spiffyarts.com for updates, informations(including videos and screenshots of our apps) and upcoming projects.

The Kimmi App is developed by Spiffy Arts, a mobile development company founded in 2013.
